DEDICATION

To Mr. A. D. G. Billingsley, principal of the Sarnia Central Collegiate, this issue of the 1955-56 CENT-O-RAMA is dedicated.

May we as students express our appreciation at having as our principal, during the first school year of Central Collegiate, Mr. Billingsley, who has earned an enviable reputation as an outstanding principal and a sympathetic friend to every student.

The pupils are indebted to him for his wise guidance and helpful criticism in establishing the character and tradition of a fine school.

On behalf of the teachers and students of the Sarnia Central Collegiate we pay tribute to Mr. Billingsley's scholarship, his ability as a principal, and his loyalty to our school.

A MESSAGE FROM THE PRINCIPAL

The distribution of this publication will mark the completion of our first year at Central. Many of us who were here for the first year will be assigned to other schools next year. Many, we hope, will be able to continue their work at Central. For all of us, I think, this first year at Central has been noteworthy in many ways. It has been noteworthy in that we have been working without the obstacles presented by overcrowding during the last few years. It has been noteworthy in that we have had good reason to be proud of the handsome new building. It has been noteworthy for the many accomplishments of this first year. But, of particular importance in my eyes, it has been noteworthy for the fine spirit that has developed among teachers and pupils alike. Because you have reason to be proud of this year's achievement, you have made me very proud to have held the position of principal of your school.

STUDENTS' COUNCIL

President--Cam Lewis
Vice-President--Marjorie Gibson

Secretary--Sylvia Smith
Treasurer--Larry Porter

The Students' Council consists of form representatives who have been elected by their fellow classmates. At their regular Monday meetings, the representatives discuss the problems of the students and try to solve them. A good deal of credit should go to Mr. Langan, who works extremely hard at helping these students solve the problems.

This year, the Student Council selected the school jackets, the school motto and crest, and drew up a code of law for the Friday night dances, besides ironing out many difficulties which arose.

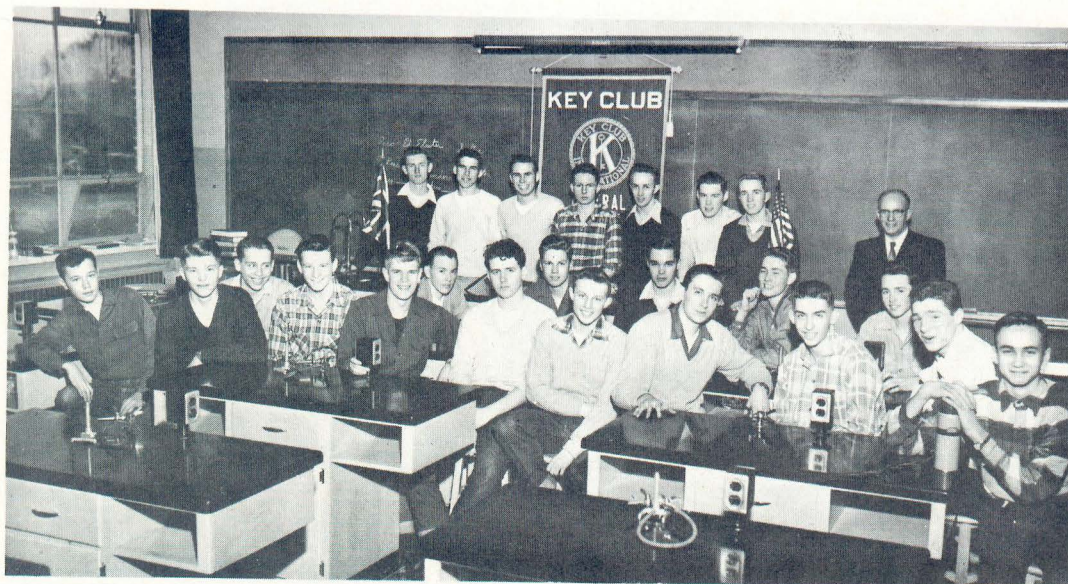

Since this was the first year at Central, numerous problems developed. Our congratulations go to the Students' Council for handling them very capably.

DRAMA CLUB

President.....	Karen Fraser
Vice-President.....	Ralph MacIntosh
Secretary.....	Anne White
Treasurer.....	Kathy Hollands
Registrar.....	Heather Mackenzie

For its first year, the Drama Club has been most successful. During the school year, they entertained the pupils with a Friday night dance and a play entitled "Father Lives with Seven Women." Play readings were held at many of the meetings to acquaint the members with the fundamentals of acting. The Drama Club owes a vote of thanks to their president, Karen Fraser, and to Mrs. Starr and Mrs. Saunders for their contribution to the club's success.

KEY CLUB

President--Michael Smith, Vice-President--John Logie, Secretary--Elarid Stephenson, Treasurer--Peter Dunlop, Senior Director--Maurice Saunders, Junior Director--Don Johnston, Sophomore Director--David Sadlier.

Organized in September with Mr. Ritchie, president of the Sarnia Kiwanis Club, as staff advisor, the Key Club received its charter in December from the district's Lieutenant-Governor of Kiwanis. Officers were installed by Keith Trowbridge, Lieutenant-Governor of Key Clubs, at the Charter Night Banquet.

Key Club services to the school included the issuing of a Key Club Directory, the donation of a decorated Christmas tree, and the sponsoring of the Teacher-Student volleyball game. It also had a Father-Son banquet, two inter-club meetings, and a social night, as well as assisting the Kiwanis at their Pancake Festival.

Among the excellent speakers this year were: Captain Waller, who recently returned from India; Magistrate Dunlap; Mr. Billingsley; Mr. Colbert, a flying expert; and Captain Kinney, a member of the Canadian truce team in Indo-China.

Ten members attended the Key Club District Convention in London, and it is hoped to send delegates to the International Convention in Dallas, Texas, in July.

INTER-SCHOOL CHRISTIAN FELLOWSHIP

President.....	Ron Kernohan
Vice-President.....	Mary Brown
Staff Representative.....	Miss MacDonald
Treasurer.....	Henry DeJong
Secretary.....	Joan Campbell

The Inter-School Christian Fellowship began shortly after Christmas at Central. The group is under the affiliation of the Inter-Varsity Christian Fellowship in Toronto. The club has a motto, which is "To know Christ and to make Him known."

The meetings consist of Bible studies, quizzes, and the singing of hymns. Interesting speakers often address the club. The club extends a cordial invitation to everyone to attend the weekly meetings.

BOWLING CLUB

President - Richard Pace
Treasurer - Marjorie Gibson

The Bowling League consists of about fifty students who bowl every Wednesday after school at Barney Neal's. The bowlers are divided into eight teams and the competition is keen. The team with the most points will receive a prize such as a crest or trophy at the end of the year. Shirley Weaver, bowling 315 for a single game, achieved the highest single score of the year.

SCHOOL ORCHESTRA

The orchestra consists of thirty-seven people. It does remarkably well as twenty-seven of these people have been playing for less than six months. The orchestra is under the able guidance of Mr. Duncan, the instrumental music teacher.

The presence of the orchestra added to the success of the Christmas Assembly. Members of our orchestra participated in the combined orchestras of S.C.I. & T.S. and Central for the Education Week programme. This same combined orchestra also played at the S.C.I. & T.S. assembly which was recorded for Education Week.

GLEE CLUB

At the beginning of the year, Central and S.C.I. & T.S. each had its own Glee Club. Mr. Sperling led both groups. These two groups combined and put on a concert of folk songs and spirituals. Ever since this concert the two clubs have practised together. The Glee Club recorded a programme for Education Week, and is busy rehearsing now for a trip to Port Huron.

SCIENCE CLUB

President - Barrie Billingsley
Vice-President - Pat Watson
Secretary-Treasurer - Ross Millar

The science club, which meets every Tuesday, studies everything pertaining to natural science, such as geology, astronomy, botany, zoology and ornithology. The club has had many interesting programmes. Cynthia Durance gave a talk and demonstration of the development of a chick. The club is under the guidance of Mr. Wood.

OPENING OF THE SCHOOL

On October 19, 1955, Sarnia Central Collegiate Institute was declared officially open by Dr. L. S. Beattie, who is Superintendent of Secondary Education for Ontario. Open house was also held this evening for parents and friends. Cadets in uniform acted as guides, while refreshments were served by the girls under the direction of Miss Hunter. Before the programme the public was given an opportunity to inspect the school. Many compliments were heard as the visitors admired the attractive classrooms, bright and colourful corridors, the graceful flying staircase, and the spacious gymtorium.

BUSINESS-EDUCATION DAY

Business-Education day, sponsored by the Sarnia Chamber of Commerce, was held in our city for the first time in Canada in October. The teachers of Sarnia were invited to local businesses and industries. Here they were taken on planned tours and to luncheon, after which discussions were held and many questions were answered. B-E day was also enjoyed by the students because they were given a holiday. In the days that followed many interesting highlights of the teachers' visits were told to the students.

PARENTS' NIGHT

November 4 was the day of reckoning for many Central students. It was open house, and parents came in large numbers to hear at first hand how Mary and Johnny were progressing with their studies. Many who had not attended the official opening toured our attractive new school for the first time.

REMEMBRANCE DAY ASSEMBLY

On Thursday, November 11, a special Remembrance Day assembly was presented in the gymnasium. The programme was as usual, beginning with the Last Post and ending with Reveille, played by Gerald Skelton. One minute's silence was observed for those who sacrificed their lives in both World Wars. The special speaker at this assembly was Dr. D. Bruce Gordon.

CHRISTMAS ASSEMBLY

On the morning of December 21 a Christmas assembly was held. In keeping with the Christmas season, we enjoyed singing Christmas carols. The school orchestra under the direction of Mr. Duncan performed for the first time at this assembly.

SPECIAL EVENTS

COMMENCEMENT - DECEMBER 21

On the last day of school before the Christmas holidays, Commencement exercises were held in the S.C.I. & T.S. assembly hall. Since the number of students receiving awards was so large, the commencement was divided into junior and senior programmes. The junior exercises were held in the afternoon, and the senior commencement was held at night. A large number of students from Central received awards and honour certificates. The principals of both S.C.I. & T.S. and Central, Mr. Johnston and Mr. Billingsley, addressed the students.

GLEE CLUB CONCERT

A combined Glee Club from Central and S.C.I. & T.S. presented their annual Glee Club Concert on January 27. A large crowd attended to hear an enjoyable programme. Some of the selections were "Glorious is the Land", "Erie Canal", "Gloria", "Give me that Old-Time Religion", "Canada" and "Jesus Walks this Lonesome Valley". Carol Chapman and Lester Laird were soloists.

TWIRP SEASON

Twirp Season was the week from February 5 - 10, when the girls carried the boys books, opened the doors, and paid all the expenses. This week ended with the "Twirp Twirl", one of the biggest and best dances of the year. It was sponsored by 10-9, and S.C.I. & T.S. was invited. The evening ended with the crowning of a "Twirp Queen", Sally Lanning, and her "King", Lee Roberts. The queen was chosen by the novel and well accepted idea of dance programmes.

EDUCATION WEEK MARCH 4 - 9

During Education Week a number of special radio programmes were presented over C.H.O.K. Discussions on the problems of education in Sarnia were featured and also broadcasts from many departments of the schools of Sarnia. The orchestras from Central and S.C.I. & T.S. gave a 15 minute concert and the combined Glee Clubs sang. The Students' Council from S.C.I. & T.S. discussed some of their purposes over the air, and the S.C.I. & T.S. assembly was broadcast as part of the programme for Education Week.

On Education-Business Day, the teachers gave the Sarnia business men a return visit for Business-Education day. At Central, forty representatives of Sarnia's business concerns toured the school. Forms 12D, 11E, 11D, 10-17, 9-21, 9-20 and 9-16 each acted as hosts to five of these men and women and provided a guide who showed them the school. The visitors sat in on a class in progress, and visited the music, art, home economic, shop and typing rooms, and the gyms. as part of their tour.

On the Friday evening of this week, open house was held at Central. The parents and anyone interested were invited to come and talk to the teachers and tour the school. Athletic displays were staged in the gymnasium. Before a large audience of parents and friends, the boys and girls demonstrated basketball and tumbling. Folk dances by the girls and floor hockey by the boys were also enjoyed by the spectators. Students of the school served refreshments in the cafeteria, and also acted as guides.

On March 27 the students and staff were lured into the gym. to watch a volleyball game in which the students played the staff. The staff was represented by "Flash" Billingsley, "Tiny" Little, "Sugar Ray" Latremouille, "Rooky" Watson, "Push-him-up" Durnford, "Spike" Withers, and the shapely "Henrietta" Wood. The students were represented by the members of the Key Club.

When injuries and stiff joints caught up with the staff, "Doctor" Norfolk quickly revived them with his oxy"gin" and oil can.

Even though the students were greatly cheered toward victory, experience won the day for the staff, and they shaded the students two game to one.

The cheerleaders made their debut in their new uniforms on this occasion. We hope that this staff-student game will be an annual event.

D A N C E S

The first dance held at Central was sponsored by 12D; it was well attended. The Key Club next put on the Key Club Rock, as one of its first official functions in the school. A very successful Hallowe'en dance, the Pumpkin Ball, was under the leadership of 11E.

The Soccer Ball was put on this year by Mr. Wood's home form, 10-18. This was claimed to be the only genuine Soccer Ball, not to be confused with any "shoddy imitation" at SCITS. Carol Chapman won the special amateur contest.

The Gridiron Bounce, one of the biggest dances of the year, was put on by the Boys' Athletic Association. Students from SCITS were invited, and helped increase the crowd who cheered the members of the football team when they were introduced.

The Kris Kringle Jingle at Christmas was sponsored by C-11-C, and completed the dances for 1955.

The new year started off with a bang when 11D presented its Rock Roughhouse Roll, a well-attended hardtime dance.

10-14's Fancy Fling was a dress-up dance, while 10-9's Twirp Twirl featured dance programmes and the choosing of a Twirp King and Queen.

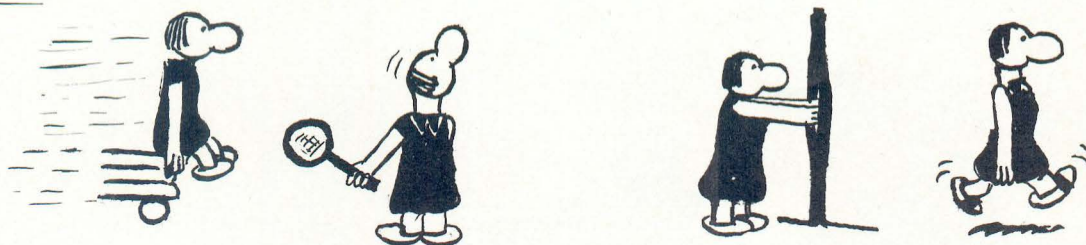

The Spider Web Spin, put on by 10-16, was attractively advertised, but the proximity of examinations spoiled the attendance.

GIRLS' ATHLETIC ASSOCIATION

CHEERLEADERS

GIRLS' SPORTS

This year, because there had been no nomination the previous June for the Girls' Athletic, Mrs. Murray met with all proficiency crest winners and all the girls of grade twelve during the first week of September to nominate members for the association. The following week all the girls in the school, excluding those in grade nine, voted for the nine girls of their choice. At the first meeting of the nine successful girls, they elected their officers and the different conveners. They are as follows:

President--Judy Kidd
Vice-President--Betty Lou Hoskins
Secretary--Judy Rice
Treasurer--Pat Giffels
Basketball Convener--Connie Cuthbertson
Badminton Convener--Manda McLeod
Volleyball Convener--Sylvia Smith
Social Convener--Ann Trotter
Official Official--Betty Allan

Basketball

This was the first tournament in girls' sports. It proved to be a very heavy schedule, with over one hundred games being played, and nearly all the girls in the school participating. The games were held at noon hour and after school. The winners were:

Senior: (1) 12-D; (2) C11C (C11A)
Intermediate: (1) 10D (10-10); (2) 10E (10-14, 16)
Junior: (1) 9J (9-10); (2) 9W (9-9)

Besides the interform games, a team made up of senior girls played two games against St. Pat's and two games against SCITS. Although the girls lost all four games, they had lots of fun and gained experience in playing teams outside their own school. An all-star team of grade ten girls played two games with SCITS. They won one game and lost the other.

Badminton

While this report is being written the badminton, goodminton, and deck-tennis tournaments are being concluded. In this tournament too, there was an almost one hundred per cent participation.

Volleyball

Following the badminton tournament, one in volleyball will be scheduled.

Leaders' Group

In both basketball and volleyball, several girls were picked from each form to take part in leaders' group. This is to help a number of girls to learn some extra pointers.

Dance and Tumbling Clubs

These clubs were formed from among those girls who took part in basketball leaders'. These clubs each put on a display during Open House, in Education Week.

Banquet

This year instead of having parties for the winners of each of the tournaments, a banquet will be held to honour all winning teams, leaders, all the team captains, and the Girls' Athletic. There will be a speaker and all the awards will be given out at this time. The Girls' Athletic hopes that this will be an annual affair.

Girls' sports, as far as they went this first year at Central, were very successful. Let's hope that the following years will be just as rewarding.

BOYS' ATHLETIC EXECUTIVE

BOYS' BASKETBALL TEAM

BOYS' SPORTS

Rugby

Sarnia Central Junior Rugby team had a very successful season in 1955, advancing into the Junior WOSSA finals against Stratford.

A great deal of credit goes to the two excellent coaches, Mr. Spradbrow and Mr. Sutton, who taught most of the boys everything they now know about football.

Top point getters for the Centaurs were McDonald with 35 points, Struthers with 33 points, and Albinson with 10 points.

The Games

November 18	Stratford, 11....	Central, 0	

Most of our opponents commented on the sportsmanlike playing of our team. Stratford's daily newspaper also commented on the fine standard of play, and of this we can be justly proud.

Soccer

The soccer team enjoyed a good season, although they didn't win any games. They, under Mr. Wood, firmly established soccer in the school.
